TT84

Tent Trading
We engineer. We produce.

This sturdy pagoda tent is perfect if you would like hard walls or glass walls in the tent, but it can be fitted with PVC side panels as standard. In addition, the TT84 can easily be linked to other pagodas and alpine halls.

This pagoda is sturdy enough for a bar dispenser or attachment of a banner frame. This allows you to carry through the style and atmosphere of the event or festival to the marquee. The TT84 is available in sizes 3x3, 4x4 and 5x5 metres.

This tent type is **widely used** for:
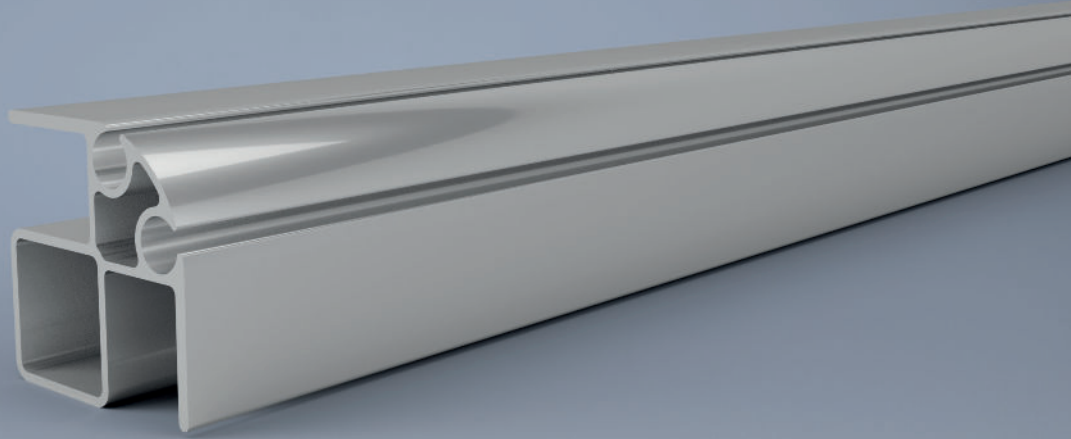

Fairs and conferences

Events

Hospitality

Festivals

Weddings
